MEDIA ADVISORY

WHAT: *Acorn to Arabella* will host a free open house event, inviting fans and followers of the project to visit the 38' wooden sailboat being built from scratch on a farm in Granby, MA. About 300 guests are expected, many of whom will travel from out-of-state to attend. In addition to viewing *Arabella*, guests will have the opportunity to engage one-on-one with the shipwrights, and enjoy food, music, and other festivities. This is an outdoor event, and guests are encouraged to bring picnic blankets and/or lawn chairs.

WHERE: 291 Batchelor Street
Granby, MA 01033

WHEN: Saturday, May 7, 2022 • 10am-4pm ET
Sunday, May 8, 2022 • 10am-4pm ET

WHO: This event is open to the public. There is no fee to attend. About 300 guests are expected to attend throughout the course of the weekend.

ABOUT: Established by Stephen Denette in 2016, *Acorn to Arabella* is a YouTube channel following the progress of a 38' wooden sailboat being built from scratch on his farm in Granby, MA, using trees planted by his great, great grandfather generations ago. *Acorn to Arabella* releases a new video each Friday. To date, there are more than 200 videos documenting the build of *Arabella*, and more than 160,000 subscribers.
